

# Career & Technical Education (CTE)

## Turn Interest into Opportunity

### Be a Completer

Students who complete a CTE pathway typically have more experience and are more likely to be hired than other students. Be a **completer**, graduate with a CTE distinction and gain a valuable advantage.

#### 2 Courses

**UNDERSTAND THE INDUSTRY**  
Take at least two courses in a Career & Technical Education (CTE) pathway.

#### Experience

**HANDS-ON EXPERIENCE**  
Receive at least 20 hours of hands-on work experience.

#### Certification

**PROFESSIONAL CERTIFICATION**  
Earn an industry certification that can help when applying for jobs.

#### Workshops

**SHADOW BUSINESS PROFESSIONALS**  
Attend at least three work-ready workshops at local businesses.

#### Interviews

**INTERVIEW PRACTICE**  
Perform at least one interview and prepare a portfolio.

Make high school more than just getting your diploma.
